

# Design-Zyme LLC

Design-Zyme LLC is looking for a motivated student for part-time work of 10-20 hours per week at our West Lawrence location. Responsibilities will include cleaning, glass-washing, general lab maintenance and other duties as required. This is a fantastic opportunity to get experience in a state-of-the art industry laboratory. Successful candidates will have to pass a standard drug screening and criminal background check. Please contact Erik Naylor ([naylore@design-zyme.com](mailto:naylore@design-zyme.com)) if you are interested.
